

# 2025 VERMONT URBAN & COMMUNITY FORESTRY CONFERENCE

## Sponsorship Opportunity

**MAY 29, 2025**

**Vermont State University  
Randolph Campus**

### CONFERENCE GOALS

The Vermont Urban & Community Forestry Program gathers dedicated stewards of Vermont's urban trees and community forests to strengthen their technical expertise, explore emerging trends in urban forestry, and connect with professionals and volunteers passionate about urban and community tree care.

### AUDIENCE

The conference welcomes municipal staff, tree wardens, tree board members, arborists, educators, and volunteers. Each year between 100-125 people attend.

### WORKSHOPS

Workshops offer opportunities for presenters to share case studies, successful management techniques, initiatives or models related to all aspects of urban & community forestry.

### ABOUT US

The Vermont Urban & Community Forestry Program is a collaborative effort of the Vermont Department of Forests, Parks & Recreation and the University of Vermont Extension.

# SPONSORSHIP LEVELS

Looking to connect with local tree advocates and network with municipal decision-makers? Become a sponsor of this year's Vermont Urban & Community Forestry Conference. Choose from three sponsorship levels to suit your goals and showcase your commitment to urban forestry and community resilience.

## SEEDLING LEVEL \$500

- Your logo on conference webpage and agenda
- One admission to the conference

## TREE LEVEL \$750
